Examiner: Unknown

For: IL-1 DELTA DNA AND POLYPEPTIDES

INFORMATION DISCLOSURE STATEMENT

BOX NON FEE

Assistant Commissioner for Patents
Washington, D.C. 20231

Dear Sir:

Pursuant to the duty of disclosure as set forth in 37 C.F.R. §1.56, §1.97 and §1.98, Applicant hereby discloses publications known to them which may be material to the patentability of this invention. The publications are listed on the attached Form PTO-1449. Kindly acknowledge receipt of this Statement and make the cited references of record in the subject application.

The cited documents, made of record by the Applicant herein, do not render unpatentable, either alone or in combination, the claims of the subject application. As to any material supplied, applicants do not admit that it is prior art under 35 U.S.C. § 102 or 103, and specifically reserve the right to antedate any such material, as by a showing under 37 C.F.R. § 131 or by another method.

Since the submission of the documents listed on the Form PTO-1449 is made before the mailing of a first Office Action on the merits, no filing fee is believed to be required. However, should it be determined that a fee is necessary, Applicant authorizes the Commissioner to charge Applicant's deposit account no. 09-0089 in an amount necessary to permit consideration of this Information Disclosure Statement.
